

IT-1800 Friction Feeder

Overview

Streamfeeder's IT-1800 easily integrates to a variety of host and control systems such as cartoners, case erectors, wrappers, WMS and more. Feed a wide variety of flat and multi-thickness products. Operates on-demand, one at a time or batched sets, and continuous feed mode.

Wi-Fi enabled controls allow you to set-up and adjust the IT-1800 on-the-fly from an application on your phone, tablet or laptop. Management, operators, and maintenance can view real-time diagnostics and reports allowing them to track productivity, quality and efficiencies.
